(ii) A Kanarese Pandit on Rs.40-2/2-50

The employment in the Govt Secondary and Training school for Nishums, Mangalore, of a trained graduate teacher and a Kanarese Pandit may be agreed to. As regards the proposal for a laboratory attender, it is submitted that there are two posts in the school. Law (Edn.) have not justified the employment of the attender with reference to the strength of the menial staff allowed in other similar schools. In view of G.O. 158 (Public) dt 21-3-21. about the reduction of ~~establishments~~ public expenditure, orders are solicited whether the Law (Edn.) may be requested to consider whether the Laboratory attender asked for can be disallowed.

2. The rate of pay suggested for the trained graduate (Rs. 125 + Temp. addition to pay) may be accepted.

A | Pending the introduction of revised rates of pay it seems sufficient to fix the pay of the Kanarese Pandit at Rs. 40 p.m. only. If the attender is to be sanctioned, the pay may be fixed at Rs. 12 inclusive of temp. additions.

3. It may be specifically stated in the draft that the Kanarese Pandit and the Laboratory attender will be eligible for the temp. additions to pay ~~sanctioned in G.O. 300 dated 20 Feb. & G.O. 1 dated 28 Feb.~~.

The Govt Girls' High School, Cannanore, consists of eleven classes with a total strength of 319 pupils. One ordinary and one Laboratory peon have been sanctioned for this School

Q School - (Vide para 3 on p. 2 of G.O. 1466 dt 9.12.20)
The Mangalore Secondary and Training School for Women consists of (1) Secondary School (with an elementary dept.) containing eleven classes with a total Strength of 346 pupils and (2) a Training dept. containing four classes with 71 pupils. As the Secondary Section alone (with the elementary dept.) is stronger than the Cannanore Secondary School one ~~additional~~ ordinary peon and one laboratory peon will be required for it, while a third peon will be required for the Training dept. with 71 pupils. Thus the Director's proposal to employ a laboratory peon in addition to the existing two ordinary peons does not seem to be excessive. The necessity for a laboratory peon for a High School is explained in para 3 on p. 2 of G.O. 1466 dt 9.12.20. One was also sanctioned recently for the Govt Secondary (in addition to the two peons already in the School) and Training School for Women, Tellicherry. In the circumstances G.O. 1404 dt 8.12.20 (pro. p.w. on p.c.) (Ch. T Mat B)

Submitted with reference to the Secretary's note in page 3 ante. For orders whether the appointment of the Laboratory attender may be agreed to.

[With reference to Edn. Dept. note on page 4 ante, it may be stated that the secondary and training sections of the Mangalore School need not necessarily be considered separately for purposes of peons. The point for decision in this case seems to be whether the extra peon should be sanctioned in view of the present policy to reduce subordinate Establishments].
